

The Boston Globe
TOP PLACES TO WORK 2014

With six offices in the area, counting Franklin, Grafton, Holliston, Hopkinton, Medfield and Marlborough, the company has more than 100 full-time award winning associates with an average of 10 years of real estate experience. RE/MAX Executive Realty was placed amongst the *Globe's* midsize company category.

RE/MAX Executive Realty was recently named one of the "Top Places to Work" by the Boston Globe. For seven years, The *Globe* has recognized the state's most admired workplaces based on surveys completed by the people who know them the best - the employees themselves. The Boston Globe's 2014 Top Places to Work survey, conducted by employee survey firm WorkplaceDynamics, measured about 73,500 individuals' responses to statements regarding six key factors related to employee happiness, including company direction, execution, employee connection, workload and responsibility, management, and pay and benefits. Least important factors were pay, benefits and work-life balance, with survey subjects placing much higher importance on employee appreciation, confidence and a meaningful connection to the work.

"We are ecstatic to have been recognized with this honor," says Bill Wright Broker/Owner of RE/MAX Executive Realty. "We strive to create a fulfilling work environment where our employees thrive. I am very proud of our team and it is great to have our mission recognized by *The Boston Globe*," says Wright.

Chuck Joseph, Broker/Owner, explains "we have a group of outstanding individuals who create a culture and an environment of honesty, professionalism, integrity and collaboration."
